19 DIFFERENT SALMON STREAMS

Welcome to Alaskas finest fishing destination. Triple C Outfitters is located 85 miles northwest of Anchorage Alaska, on the Yentna River. We are fly out only lodge. Our fishing area supports the largest fresh water fisher in south central Alaska, with 19 different streams to choose from within a 20 mile radius of our lodge. Offering all 5 Trophy species of Salmon, Kings (Chinook), Silvers (Coho), Pinks, Chum, Sockeye (Reds), Rainbow Trout, Dolly Varden and Grayling, Triple C Outfitters is the only lodge that offers 19 different Alaskan clear water streams to fish from one destination. We pride ourselves on our philosophy of Yes We Can. We accomplish this by keeping our guest groups to a limited number per week to ensure our utmost attention to your needs, and the quality of your fishing experience. Located in the pristine Fish Lakes area your stay will be peaceful and tranquil with Denali National park and Mt. McKinley as your backdrop.
